Patrick Lowe, D.C.
10306 Shelbyville Rd
Louisville, KY 40223

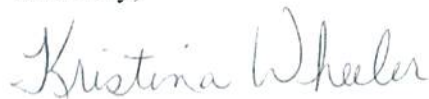

Dear Dr. Lowe,

I want to express my appreciation for the lovely lunch and massage you and your staff provided for my team last week. The lunch was very good, the company even better and the massage was excellent!

My staff commented that they were not expecting a brief "back assessment" from you and were impressed with the time you spent with each of them and the information and guidance you provided.

Again, many thanks for a wonderful treat!

Sincerely,

Kristina Wheeler
